NFT Collection & Rarity System

Each NFT in the Cactly Collection offers unique traits, rarity levels, and exclusive access to ecosystem benefits.

The collection includes 5,000 unique digital artworks, each representing creativity, community and token utility.

Owning a Cactly NFT unlocks:

- Access to staking tiers and rewards,
- Invitations to exclusive events and drops,
- Participation in DAO governance and decisions.

Rarity tiers influence rewards, access, and special privileges within Cactly.
